WORK EXPERIENCE

Desk Assistant

Aug 2022 – Present

Siddall Hall, University of Cincinnati

- Assisted with the daily functioning of the residence hall by understanding and responding to a variety of unique situations that the residents came across
- Communicated effectively with supervisors, staff, and residents to swiftly and adequately solve a particular problem
- Maintained a strict record of all the residence hall's supplies including loaner keys and games

Home Tutor

Aug 2020 – Dec 2020

Kathmandu, Nepal

- Developed leadership and communication skills through my interactions with the students
- Assisted the students with their respective subjects in a friendly and respectful manner
- Responded to and analyzed where each student's weakness was and adapted my teaching style to each student

PROJECTS

Physics Exhibition Project

June 2019 – July 2019

Project Leader

- Assembled a team for the physics exhibition and came up with ideas for the project
- Made a model of a garbage collection boat that would in theory pick up garbage from a river
- Adapted and modified the boat when problems with the project would arise

ENED Project

Aug 2021 – Dec 2021

Student Participant

- Designed and created a robot that would pick up debris from a disaster site and take the debris to the appropriate dumping site
- Developed communication skills and teamwork by working through the project as a team

EXTRACURRICULAR ACTIVITIES

St. Xavier's A-Level Society (SAS)

June 2019 – July 2020

President

- Organized different kinds of events in the school like soccer, basketball, debates, and extempores
- Delegated tasks to the various officers of the group and coordinated with staff to manage the event
- Developed leadership, communication, and coordination skills through the management of these events

Pie Project

June 2019 – Sep 2019

Volunteer Teacher

- Taught underprivileged kids about their course matter and helped maintain their education
- Served and had an impact on the community by completing 100+ hours of community service

AWARDS & HONORS

UC Global Scholarship, UC International Outreach Award, KUHS Student with Bright Future Ahead
